

Du'a for protection

Abu Hurairah (R.A) narrates that Nabi (S.A.W) said: He who says this three times (as follows) in the evening, no poison will harm him that night:

أَعُوذُ بِكَلِمَاتِ اللَّهِ التَّامَّاتِ
مِنْ شَرِّ مَا خَلَقَ

I seek refuge in Allah's all Perfect Words, for protection from the evil of all that He has created.

Suhail Rahimahullahu says: My family had memorised these words, and used to say them every night. A little girl was stung, but she did not feel any pain.
