Your Careers Conference Guide Book

About

Leaders of Tomorrow is not your typical high school careers expo. Instead, we have invited Muslim professionals from multiple fields to share with you their career pathways and how they are active Muslims in our community.

The conference will start with a few keynote speakers who will inspire you with their stories.

This is followed by four engaging panels that will be running simultaneously

- Medicine & Dentistry
- Engineering
- Health & Wellbeing
- Law & Finance

You will have the opportunity to choose two different panels to attend. At each panel, our guest speakers will give you a snapshot of their journey and you will get the chance to interact with them through a facilitated Q&A session.

We're excited for you to experience our careers conference and thank you for your contribution to Al Siraat College's Masjid Salaam Fundraiser through your conference ticket

What You'll Find in This Guide Book

- 📍 **Maps & Directions** Ensure you know where each panel is being held
- 👤 **Guest Profiles** Learn a little bit more about our guest speakers
- 📅 **Panel Details** Plan ahead and decide which 2 panels you are visiting
- 📞 **Get Connected** Get in touch with our guest speakers after the conference

Level 1: Health & Wellbeing

Level 1: Law & Finance

Welcome to our Careers Conference

Welcome

A message from Mr Fazeel Arain

Co-Founder & Principal of Al Siraat College

Asalaamu Alaikum,

It gives me great pleasure to welcome you to Leaders of Tomorrow – Careers Conference 2025.

At Al Siraat, our name itself — Al Siraat, “the path” — reminds us that life is a journey. Each of us is walking our own path, shaped by the choices we make and the values we hold. Though our individual journeys may look different, what unites us is our shared faith and commitment to live with purpose.

This conference is not about job stalls or brochures. It is about stories. Stories of Muslim professionals who once sat where you sit now — uncertain, exploring, asking questions — and who chose their paths with courage and conviction. Their journeys are filled with lessons that can inspire and guide you as you begin shaping your own future.

I encourage each of you to listen carefully, to ask questions, and to reflect deeply. Remember that careers are not just about earning a living; they are about serving others, contributing to the community, and walking your path with faith and purpose.

May Allah guide us all to what is best for us.

A message from **Ms Shahidah Osman**

Head of Learning Enrichment & LEAP

Asalaamu Alaikum,

We are honoured to welcome you to this milestone occasion — the inaugural Careers Conference 2025 — Leaders of Tomorrow.

This unique event is proudly led by our LEAP (Learning Enrichment Accelerated Program) Year 9 students, who have taken the lead in organising and delivering this conference, supported by the enthusiasm and efforts of their peers in Years 7 and 8. One of our core goals in LEAP has always been to foster critical thinking – not just in terms of academic rigor, but in life itself. We want our students to look at the world through a reflective lens, to ask why, to understand how, and to imagine what could be.

This conference is part of that mission by engaging directly with professionals giving our students real-world role models, stories, and wisdom. Most importantly, they're meeting people who walk in the same faith, speak the same language of values, and serve with integrity and purpose.

Through interactive workshops and authentic dialogue, participants will be encouraged to see themselves as active contributors to their communities and beyond. This conference is more than inspiration — it's an invitation to envision futures grounded in identity, community, and purpose.

May Allah bless this occasion and make it a source of benefit for all who attend. May it be a moment that opens hearts and minds, planting seeds of clarity, purpose, and ambition for the journey ahead. As we reflect on the paths before us, may we be reminded that every step taken with sincere intention is part of our worship. We pray that today offers each of you something to take away – an idea, an inspiration, or a renewed sense of direction – and that Allah guides our students to futures filled with light, integrity, and meaningful impact.

The power of a Smile

A message from Dr Safinah
Principal Dentist of Northvale Dental

Asalaamu Alaikum,

My name is Dr Safinah Hambali and I'm a general dentist and practice owner of Northvale Dental. It is my great honour to have helped contribute to Al Siraat College's inaugural Careers Conference and it is my hope that it will inspire the future leaders of our Muslim community.

I wanted to invite my fellow Muslim professionals who like me, have grown up and studied in Australia, and are now active participants in our community through our careers. I wanted to give an opportunity for Muslim high school students to connect and learn from these role models in our society.

There are many reasons why we choose our careers but whatever these reasons may be, the search for meaning in what we do is important. As Muslims we should understand the value of knowledge and learning in relation to our professions and how our careers can serve the higher purpose of being servants of Allah SWT.

When I speak to younger Muslims, it is common for me to hear that they are very unsure of what they want to pursue and what opportunities are out there.

So let us bridge the gap and connect during this conference to promote a culture of universal concern and civic engagement rooted in Islamic tradition so that the Muslims of the future can be inspired to study and grow with clear purpose and the right intention.

Keynote Speakers

2006

Drafted into the AFL

2007

AFL Debut

2013

Founded Bachar Houli Foundation

2017, 2019, 2020

Premiership Player with Richmond Football Club

2019

All-Australia Selection

2021

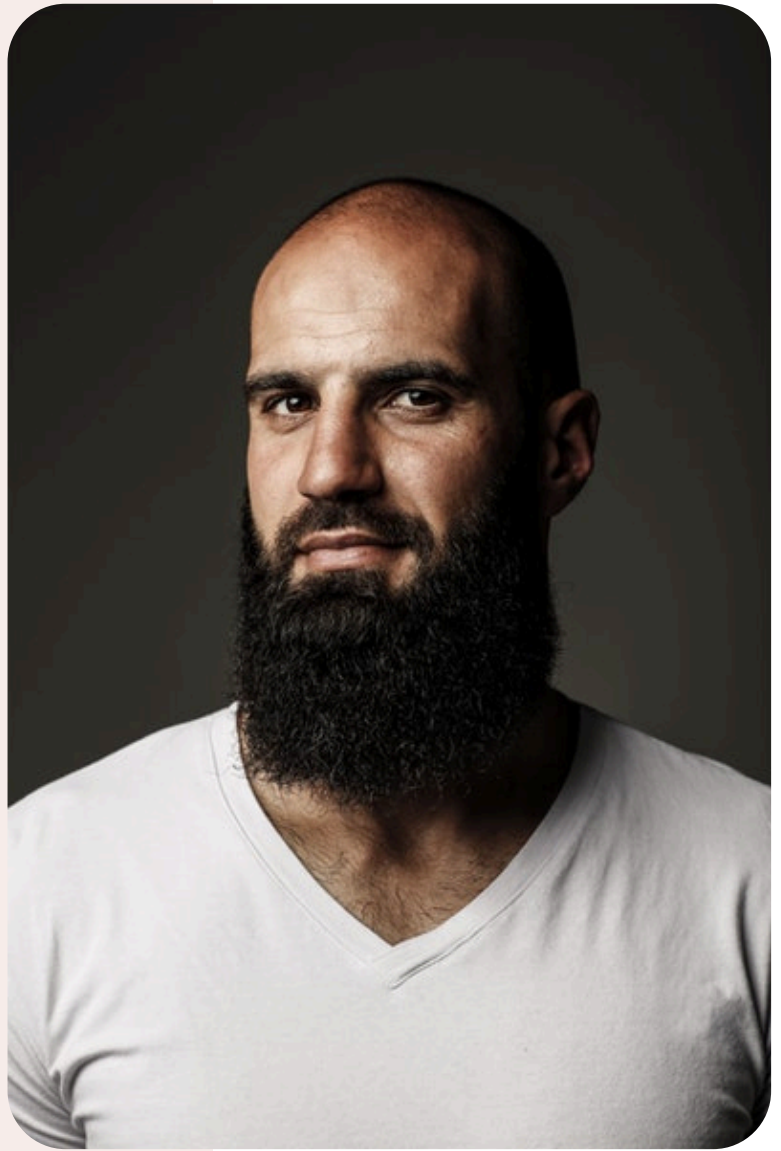

Retirement from AFL

2023

Established the Islamic College of Sport

2024

Awarded a Medal of the Order of Australia (OAM)

Introducing Bachar Houli

Bachar Houli OAM is a former Australian Rules Footballer, most notably having played for the Richmond Football Club, and famously known as the **first devout Muslim** to play the game at the highest level.

He forged a remarkable career at 'Tigerland', playing over 200 games and becoming a key part of a three-time winning premiership side (2017, 2019, 2020).

Off the field, Houli is a devout Muslim and the founder of the Bachar Houli Foundation. Houli is regarded as a leader and role model for the Australian Islamic community due to his inspiring work in promoting social cohesion and harmony. Houli's dedication and commitment to his community work with Muslim youth has enabled him to become one of Australia's most prominent public figures.

GRADUATE OF
Bachelor of Biomedicine
The University of Melbourne
Doctor of Dental Surgery
The University of Melbourne
Doctor of Medicine
Deakin University

CURRENT
Junior Doctor
The Royal Melbourne Hospital
PhD Candidate
The University of Melbourne

COMMENCING 2026
Oral and Maxillofacial Surgery Training
The Royal Australasian College of Dental Surgeons

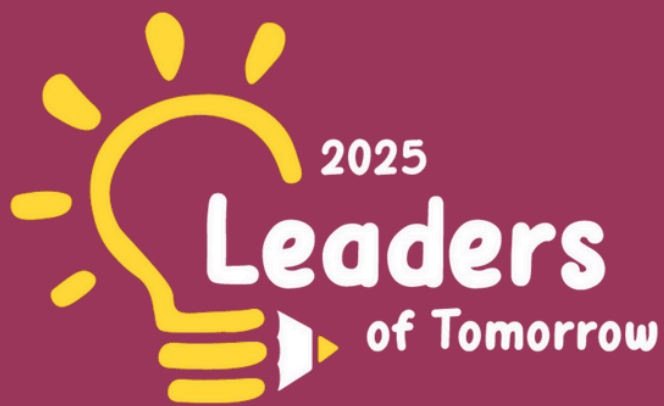

Introducing Dr Simra Azher

Dr Simra Azher has spent collectively a total of 11 years at university, completing both a medical and dental degree but she is not done yet. She is also currently undertaking a PhD in Facial Reconstructive Surgery at The University of Melbourne.

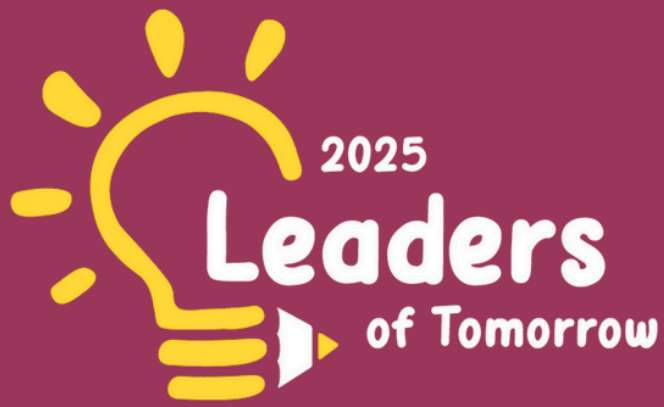

In 2026, she is proud to be commencing SET Training in Oral and Maxillofacial Surgery in Victoria. This is a unique field requiring qualifications in both medicine and dentistry. These super specialists deal with the diagnosis, surgical and adjunctive treatment of diseases, injuries and defects of the human jaws and associated structures.

There are very few women in this speciality and Dr Simra will be possibly **the only Muslim female** OMF surgeon in Australia. Dr Simra is passionate about improving patient outcomes in facial surgery and having a positive impact in people's lives.

Meet your Guest Speakers

Dr Simra Azher
Dr Rumana Islam
Dr Sohaib Virk
Dr Safinah Hambali

Medicine & Dentistry

Dr Simra grew up in the small rural town of Mian Channu in Pakistan before her family relocated to Auckland when she was in primary school.

She is a proud Muslim, currently living and working in Melbourne. She remembers hearing about Oral and Maxillofacial Surgery in high school and thinking "That's a really cool career".

Dr Simra is thrilled to be commencing Surgical and Education Training in Oral and Maxillofacial Surgery in 2026.

Dr Simra Azher

Oral and Maxillofacial Surgery

Working at The Royal Melbourne Hospital

EDUCATIONAL PATHWAY

Oral Maxillofacial surgery requires dual qualification

Dr Simra has completed **Medicine** from Deakin University and **Dentistry** from The University of Melbourne, following the completion of a Bachelor of Biomedicine degree at The University of Melbourne. Dr Simra is also currently undertaking a PhD in Facial and Reconstructive Surgery at The University of Melbourne.

Having worked as a general dentist during Medical School, her junior medical years were spent at the Royal Melbourne Hospital.

Dr Simra has undertaken 2 years of junior medical training in multiple fields and will be commencing Oral and Maxillofacial Surgery Training in 2026.

CAREER PATHWAY

ADVICE TO MY HIGH SCHOOL SELF

You will do whatever you set your mind to

simraazher@hotmail.com

Dr Rumana is a surgical registrar, close to finishing training as a General Surgeon. She has had an interesting path with a lot of travelling and stories along the way.

After graduating from medical school she was an intern and hospital medical officer at the Austin and Northern Hospitals and later worked as an accredited General Surgical registrar at the Alfred Hospital as well.

Dr Rumana is also a voracious reader and loves nothing more than curling up with a book on her days off with her cats keeping her company.

Dr Rumana Islam

General Surgical Registrar

Working at Northern Health

EDUCATIONAL PATHWAY

PostGrad Diploma Surgical Anatomy 2017

The University of Melbourne

Bachelor of Medicine, Bachelor of Surgery 2013

Monash University

PostGrad Diploma Science 2009

University of Auckland

Bachelor of Science 2008

University of Auckland

ADVICE TO MY HIGH SCHOOL SELF

Utilise the blessings of Allah SWT such as free time & youth to build a closer connection with the Quran, and trust in Allah's plan for you. You will end up where you are meant to be – so do your best, and leave it to Allah SWT

Health & Wellbeing

Aula Idris
Manar Moubarak
Aisha Moustafa
Rona Aly

Aula is a Women's Health Consultant and Pelvic Health Physio with almost a decade of clinical experience.

She is passionate about empowering women and girls through movement and health education.

She is also the Founder of Yoni Wellbeing, an organisation that promotes culturally sensitive women's health education to young girls and women from diverse backgrounds.

Aula Idris

Physiotherapist

Working at Yoni Wellbeing
& Melbourne Pregnancy and Pelvic Physio

EDUCATIONAL PATHWAY

Doctor of Physiotherapy *Macquarie University*

Bachelor of Science *The University of Melbourne*

CAREER PATHWAY

2016–2018 *Private Practice Pathway Associate Physiotherapist*

2018 *Further training in Women's Health to become a Pelvic Health Physio*

2019 *Started Yoni Wellbeing*

ADVICE TO MY HIGH SCHOOL SELF

There are so many opportunities out there. I didn't know I wanted to be a physio until my last semester of university. It's okay to go on that journey to find out what you love or what you are good at!!

Get in touch with me

@yoni_wellbeing

aula.idris@gmail.com

Manar is an Oral Health Therapist who graduated from The University of Melbourne in 2022

Her interest in dentistry began from a young age after experiencing dental anxiety herself. That experience ignited her passion for creating positive, calm and supportive dental visits.

Manar currently works in a Muslim-led private practice clinic where she contributes to delivering culturally sensitive and patient centered preventative oral health care.

Manar Moubarak

Oral Health Therapist

N O R T H V A L E
D E N T A L

Working at Northvale Dental

EDUCATIONAL PATHWAY

Class of 2022

Bachelor of Oral Health *The University of Melbourne*

Class of 2018

Victorian Certificate of Education (VCE) *Ilim College*

ADVICE TO MY HIGH SCHOOL SELF

Don't let fear or failure stop you from trying

Growth often comes from things that scare you the most

Rona initially went to university in hopes to become a doctor like her dad but realised it wasn't her passion. So instead she decided to pursue her "crazy" idea of fitness and becoming a personal trainer by completing her certificates whilst completing her degree.

Rona started exploring unique ways to help women see fitness as a positive influence on their lives. She hired a business mentor to help set up her online business and worked at several gyms to enhance her level of coaching.

Rona Aly

Personal Trainer

Working at Seha Coaching

EDUCATIONAL PATHWAY

Bachelor of Biomedical Science 2020

Certificate IV in Fitness 2022

Currently completing a:

- **Diploma in Arabic**
- **Diploma in Spanish**
- **Certification in Women's Sports Nutrition**

CAREER PATHWAY

Disability Support Worker 2020-2021

Gym Admin 2021-2022

Personal Trainer and Online Coach 2022-Now

ADVICE TO MY HIGH SCHOOL SELF

Don't rush into university. Explore your interests, build life skills and find what makes you passionate to learn about and to contribute in society. Learn to be ok with being different and embracing being a woman in the work space and know what that means for you.

Get in touch with me

@sehacoaching

sehacoaching@gmail.com

Law & Finance

Aseel Sammak
Nimra Azher
Fazeel Arain

Aseel is a lawyer and accredited Family Dispute Resolution Practitioner.

After completing a Masters degree in Family Dispute Resolution, she established her own mediation practice in April 2025, where it combines Islamic principles with legal knowledge to help families resolve conflict in respectful and child-focused ways.

Aseel is also a mother and a founder of an Islamic not-for-profit organisation called Podium.

Aseel Sammak Lawyer

& Family Dispute Resolution Practitioner

Working at Beyond Mediation

EDUCATIONAL PATHWAY

Bachelor of Law

La Trobe University

Bachelor of Arts Major in Journalism

La Trobe University

Master of Applied Laws *Majoring in family Dispute Resolution at the College of Law*

ADVICE TO MY HIGH SCHOOL SELF

Don't feel like you have to choose between your culture, faith or education. You can embrace both and let them complement each other. Your background and values are not limitations, they're unique strengths that can guide you to make a real difference. By holding onto what makes your grounded, you'll be able to create a career that is meaningful.

Get in touch with me

@aseel.sammak

Nimra is a Chartered Accountant with a diverse background spanning public practice, tax advisory, and corporate finance. After graduating from Melbourne Girls' College she began her career in public practice, gaining six years experience across business and tax advisory roles at multiple firms.

Driven by entrepreneurial spirit, Nimra established her own boutique accounting practice, Lette Advisors, which she continues to operate alongside her corporate career. She is currently part of the finance team at Re-Group, a leader in the waste and recycling sector and a key player in Victoria's Container Deposit Scheme.

Nimra Azher

LETTE ADVISORS

Chartered Accountant

Senior Finance Lead at Re-Group & Principal at Lette Advisors

EDUCATIONAL PATHWAY

Bachelor of Commerce *The University of Melbourne*

Majoring in Accounting and Finance

Grad Diploma of Chartered Accounting

CA – Chartered Accountants Australia & New Zealand

CAREER PATHWAY

Previously worked at firms including Crowe Horwath (now Findex), Jeffrey Thomas & Partners, Deloitte

ADVICE TO MY HIGH SCHOOL SELF

The world is bigger than it feels right now, and there are so many opportunities and pathways out there. Take initiative, put yourself out there and be open to what comes your way. It might not all go to plan, but it all does work out

Get in touch with me

nimra.azher@lette.com.au

Fazeel comes from a varied background that has seen him work in a multitude of roles across accounting, technology and educational sectors.

His experience in these roles combined with a strong interest in ensuring that the Islamic Community makes a positive contribution to Australia and the society at large has seen him initiate a large-scale project to establish Al-Siraat College. The College is a Foundation to Year 12 Islamic school with over 1,500 students and 200 staff.

Fazeel sees himself as a shepherd, servant and enabler.

Fazeel Arain

School Principal

at Al-Siraat College

EDUCATIONAL PATHWAY

Bachelor of Business *University of Technology, Sydney*

Accounting Major and Business Law Submajor

Master of Commerce *University of New South Wales*

CPA - Australian Society of Certified Practicing Accountants

CAREER PATHWAY

Commenced in accounts payable, then moved into financial account, financial systems and working on ERP (enterprise resource planning) implementations in IT

From IT, moved into Education and Islamic investor finance.

ADVICE TO MY HIGH SCHOOL SELF

I do not believe myself to be a very capable person, so I convinced myself that further efforts would not be very useful.

My advice is: with a little more effort, you can go a long way.

Get in touch with me

fazeel@alsiraat.vic.edu.au

Acknowledgments

Acknowledgements from Ms Shahidah Osman

Head of Learning Enrichment & LEAP

And now, allow me to offer my deepest gratitude.

First, to **our school leadership and management**, thank you for always supporting, encouraging, and believing in this vision – and in me. Your trust has enabled this vision to grow into reality.

To **Dr Safinah Hambali**, my daughter, my companion in thought and heart – this journey began with one of our many conversations. A conversation that bloomed into many more, and slowly, step by step, into an action plan. Your passion for education, your career wisdom, and your unwavering belief in the power of role models has helped shape this very moment. May Allah bless you for connecting your journey with the dreams of these students.

To our **guest speakers**, who left their jobs, families, to be here – your presence speaks volumes. You are more than mentors today; you are reminders of what our students can become. Jazakum Allahu Khairan for believing in this cause.

To our **LEAP Students** – your dedication, ideas, rehearsals, posters, and videos – all of it has led to this moment. You have made us proud to take this challenge. This is your legacy in the making.

YEAR 9, 2025 LEAP STUDENTS

To the **Learning Enrichment Team** – I offer a heartfelt and sincere thank you. From the earliest planning stages to the final moments before this event began, you have worked tirelessly behind the scenes – often unnoticed, but never unappreciated. Your attention to every detail. Your quiet dedication, calm efficiency, and consistent reliability have helped bring this vision together. Thank you for walking every step of this journey with me – your support made all the difference.

To **our teachers and staff**, who volunteered, supported, mentored, and gave their time to guide these students and offer of assistance – thank you for being the kind of educators and colleagues who go beyond the classroom and into the hearts of your students.

To our **school operations, digital , IT, catering team, and our maintenance crew**, your unseen work is the backbone of what we see before us today. You have my deepest heartfelt gratitude in your dedication and commitment.

To the **guests and visitors**, thank you for coming, for standing with us, and for celebrating these young leaders. Your presence unites us in community and shared hope.

We sincerely thank **Abraham Solomon, Mike Assaad, and the Ray White Wollert team** for their support and generosity towards our College and the Careers Conference Event.

This event is not mine. It is yours. It belongs to every single hand that helped it to rise. And today, we celebrate that collective success.

May Allah bless this occasion and make it a source of benefit for all who attend.

Thank you. Jazakkallahu khair.

Ms Shahidah Osman
