You may use your email address or username in the format ASC\username.

You may also [Reset](#) or [Change](#) your password.

Parent Portal

The screenshot shows a web browser window with the title 'Password Self Service'. The address bar shows a secure connection to <https://www4.alsiraat.vic.edu.au/pwm/public/forgottenpassword>. The page header features the Al Siraat College logo and the text 'Forgotten Password Password Self Service'. The main content area includes a message: 'If you have forgotten your password, follow the prompts to reset it.' followed by a note: 'Note: This process relies on you having access to your email account to confirm the reset, therefore is unlikely to work for Al Siraat Staff or Student accounts (because a reset confirmation email requires knowing the same forgotten password!). Students, teachers and Staff should contact IT Support.' Below this is a form labeled 'Email Address*' with a text input field containing 'user@example.com'. At the bottom of the form are two buttons: 'Search' and 'Cancel'.

The screenshot shows a web browser window with the address bar displaying "Secure | https://www4.alsiraat.vic.edu.au/pwm/public/changepassword". The page title is "Change Password" with the subtitle "Password Self Service". On the left is the Al Siraat College logo, and on the right are icons for home and a document. The main content area contains instructions: "Please change your password. Keep your new password secure. After you type your new password, click the Change Password button. If you must write it down, be sure to keep it in a safe place. Your new password must meet the following requirements:" followed by a bulleted list of password requirements. Below this is a blue success message: "New password accepted, please click change password". There are two password input fields: "New Password" and "Confirm Password", both with toggle icons. To the right of the "New Password" field is a strength indicator showing "Strength: Good" with a gold bar. To the right of the "Confirm Password" field is a green checkmark icon. At the bottom are two buttons: "Change Password" and "Cancel".

Change Password
Password Self Service

Please change your password. Keep your new password secure. After you type your new password, click the Change Password button. If you must write it down, be sure to keep it in a safe place. Your new password must meet the following requirements:

- Password is case sensitive.
- Must be at least 6 characters long.
- Must not include any of the following values: password test
- Must not include part of your name or user name.
- Must not include a common word or commonly used sequence of characters.
