

School Philosophy

Updated February 2021

Al Siraat College is a co-educational, Foundation to Year 12 school for students from the Islamic faith.

Al Siraat College is an independent school established in 2009, situated in Epping and serving the needs of the growing Islamic community in the northern suburbs of Melbourne. Starting with about 80 students in 2009, the College has experienced significant growth since its inception with a current enrolment of over 1,060 students (in February 2021). More than half of our students now reside in the immediate local area.

IDENTITY

We are an Australian school in the Islamic Tradition.

VISION

Transform how we think and act in ways that are truly inspiring.

It is important to note that we are not responsible for achieving our vision, rather we are responsible *for making an effort* to achieve it. This recognises the belief in the Islamic Tradition that we are not able to change people – that is the job of The Creator. Our role is to make the required effort and pray for positive changes.

MISSION

Develop enlightened individuals of learning and character.

The name of Al Siraat means ‘the path’ – which denotes the path from learning to character. This mission is embedded into our foundations and DNA.

TAG LINE

Al Siraat College - A Learning Community.

At Al Siraat, we are more than a school. We are a community, that is always looking to learn and improve.
